D	Joint Repair of Bridge Structures	J	Traffic Signal and Device Maintenance
E	Landscaping Maintenance Services	K	Tree Cutting, Pruning and Removal Services
F	Pavement Marking – Short Line Pavement Striping	L	Vegetation Removal Services

3. Applications can be submitted using the following methods:

Method	Instructions
Email	The completed application can be submitted by clicking the “ Submit ” button in the application. Applicant can also print completed application and scan it as a PDF. Then email it to Georgia DOT at RouteMaintPrequalification@dot.ga.gov
Mail	Print completed application and scan it as a PDF, then mail it to the address below. Georgia Department of Transportation - Office of Procurement ATTN: Routine Maintenance Qualification Manager 600 West Peachtree Street, NW (19th Floor), Atlanta, GA. 30308

4. Evaluation committee will review qualifications and predetermine eligible contractors to bid on future bid opportunities. This process creates the Eligible Bidders List.
5. Master Service Agreements (MSA) will be executed for firms that qualify. The MSA will remain in effect for five years, which determines the qualification period for each contractor.
